2. The statutory bases for relief requested herein are 11 U.S.C. §§ 105(a), 502, 506 and 507, Rules 3001 and 3007 of the Federal Rules of Bankruptcy Procedure (as amended from time to time, the "Bankruptcy Rules"), and Rule 3007-1 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the District of Delaware.

Background

3. On April 2, 2001 (the "Petition Date"), each of the Debtors in these chapter 11 cases filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (as amended from time to time, the "Bankruptcy Code") commencing their respective chapter 11 cases (collectively, the "Chapter 11 Cases"). The Chapter 11 Cases have been consolidated for administrative purposes only, and, pursuant to sections 1107(a) and 1108 of the Bankruptcy Code, the Debtors continue to operate their businesses and manage their properties as debtors in possession.

Claims Bar Date

4. By an order dated April 25, 2002, this Court set March 31, 2003 as the last date for filing proofs of claim for all pre-petition claims relating to asbestos property damage, non-asbestos claims (including all governmental claims), and medical monitoring claims (the "Bar Date"). The Court has set October 16, 2006 as a bar date for settled-prepetition personal injury claims and November 15, 2006 as a bar date for non-settled prepetition personal injury claims. A bar date has yet to be set for asbestos personal injury claims and claims related to Zonolite Attic Insulation.

The Objection And Request For Relief

5. By this Eighteenth Omnibus Objection, the Debtors seek disallowance, reclassification, or reduction, as appropriate, of the claims set forth in the exhibits attached hereto² for the reasons described herein and in such exhibits:

- (a) Each claim set forth as “No Liability” in Exhibit A attached hereto is a claim for which the Debtors have no liability according to their books and records (the “No Liability Claims”) and for which the Debtors seek expungement of the claim;
- (b) Each claim set forth as “Reclassify and Allow” in Exhibit B attached hereto is a claim that should be reclassified and allowed (the “Reclassify and Allow Claims”);
- (c) Each claim set forth as “Reclassify, Reduce and Allow” in Exhibit C attached hereto is a claim that should be reclassified, reduced and allowed (the “Reclassify, Reduce and Allow Claims”);
- (d) Each claim set forth as “Reduce and Allow” in Exhibit D attached hereto is a claim that should be reduced and allowed (the “Reduce and Allow Claims”);
- (e) The claim set forth as “Unliquidated” in Exhibit E attached hereto is a claim for which the Debtors have no liability according to their books and records, for which no dollar amount is specified by the claimant (the “Unliquidated Claims”) and for which the Debtors seek expungement of the claim; and
- (f) Each claim set forth as “Insufficient Documentation” in Exhibit F attached hereto is a claim that has been filed with insufficient documentation to provide the Debtors with sufficient supporting information to validate such claim (the “Insufficient Documentation Claims”).

² The classification of the claims set forth on the exhibits is the classification asserted on the filed proof of claim. The Debtors include such classification for the purpose of identifying the claim to which the objection applies. The inclusion of the classification shall not constitute an acknowledgement by the Debtors that such classification is correct or appropriate.

The No Liability Claims

6. The Debtors object to the No Liability Claims listed on Exhibit A attached hereto pursuant to section 502(b)(1) of the Bankruptcy Code, because these are claims which are not enforceable against the Debtors or their property under any agreement or applicable law. In particular, the Debtors' review of their books and records indicates that they have no liability for these claims because either (a) the claimant has no relationship with the Debtors, (b) the claim is not a liability of the Debtor but an alleged liability of an unrelated, non-debtor entity, or (c) the claim has been satisfied. Therefore, the No Liability Claims set forth on Exhibit A should be disallowed and expunged for all purposes.

The Reclassify and Allow Claims

7. The Debtors object to the Reclassify and Allow Claims pursuant to sections 502(b)(1) and 507 of the Bankruptcy Code, because these claims are filed with the wrong classification from the classification reflected on the Debtors' books and records. In evaluating the Reclassify and Allow Claims, the Debtors have thoroughly reviewed their books and records and the proofs of claim, as well as the supporting documentation provided by the claimant, and have determined that the classification of the claims requires modification. The claims listed on Exhibit B have no basis for priority under section 507(a) of the Bankruptcy Code and should be reclassified as general unsecured claims. Accordingly, the Debtors object to the Reclassify and Allow Claims and request that the Reclassify and Allow Claims be reclassified and allowed in the amounts as set forth on Exhibit B.

The Reclassify, Reduce and Allow Claims

8. The Debtors object to the Reclassify, Reduce and Allow Claims pursuant to sections 502(b)(1) and 506 of the Bankruptcy Code, because these claims are filed with the wrong classification and for amounts that differ from the amounts reflected on the Debtors' books and records. In evaluating the Reclassify, Reduce and Allow Claims, the Debtors have thoroughly reviewed their books and records and the proofs of claim, as well as the supporting documentation provided by each claimant, and have determined that the classification and amount of each claim requires modification. The claims listed on Exhibit C have no basis for secured status and should be reclassified as general unsecured claims. Additionally, the amount of the claims listed on Exhibit C are overstated due to the reasons enumerated per each objection set forth on Exhibit C. Accordingly, the Debtors object to the Reclassify, Reduce and Allow Claims and request that the Reclassify, Reduce and Allow Claims be reclassified, reduced to and allowed in the amounts as set forth on Exhibit C.

The Reduce and Allow Claims

9. The Debtors object to the Reduce and Allow Claims pursuant to section 502(b)(1) of the Bankruptcy Code because these claims are filed for amounts that differ from the amounts reflected on the Debtors' books and records. In evaluating the Reduce and Allow Claims, the Debtors have thoroughly reviewed their books and records and proofs of claim, as well as the supporting documentation provided by each claimant, and have determined that the amount of each claim is overstated. The amount of the claims listed on Exhibit D are overstated due to the reasons enumerated per each objection set forth on Exhibit D. Accordingly, the

Debtors object to the Reduce and Allow Claims and request that the Reduce and Allow Claims be reduced to and allowed in the amounts as set forth on Exhibit D.

Unliquidated Claims

10. The Debtors object to the Unliquidated Claim listed on Exhibit E attached hereto pursuant to section 502(b)(1) of the Bankruptcy Code. Therefore, the Unliquidated Claim set forth on Exhibit E should be disallowed and expunged for all purposes.

Insufficient Documentation Claims

11. The Debtors object to the Insufficient Documentation Claims listed on Exhibit F attached hereto pursuant to section 502(b)(1) of the Bankruptcy Code and Bankruptcy Rule 3001(c). Claimants filing such claims have failed to file the requisite documentation in support of their claims and thus have failed to comply with Bankruptcy Rule 3001(c). Bankruptcy Rule 3001(c) requires in pertinent part: "When a claim, or an interest in property of the debtor securing the claim, is based on a writing, the original or a duplicate shall be filed with the proof of claim." The claims listed on Exhibit F are also listed on Exhibit D because the Debtors' books and records indicate that a lower amount is owed to the claimant for these claims. Accordingly, the Insufficient Documentation Claims should be reduced and allowed in the amounts set forth on Exhibit D.

Separate Contested Matters

12. If a response is filed regarding any claim listed in the Eighteenth Omnibus Objection and the Debtors are unable to resolve such response, the corresponding claim and the objection by the Debtors thereto asserted in the Eighteenth Omnibus Objection shall constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. Any order entered by the

Court regarding an objection asserted in the Eighteenth Omnibus Objection shall be deemed a separate order with respect to each claim.

15. If a claimant fails to file and serve a timely Response, the Debtors may present to the Court an appropriate order reclassifying, reducing, or disallowing and expunging the claim, as applicable, without further notice to the claimant or a hearing.

Replies to Responses

16. The Debtors may, at their option, file and serve a reply to a claimant's Response.

Separate notice and hearing will be scheduled for any such objection.

18. Notwithstanding anything contained in this Eighteenth Omnibus Objection or the attached exhibits, nothing herein shall be construed as a waiver of any rights that the Debtors may have (a) to bring avoidance actions under the applicable sections of the Bankruptcy Code against the holders of claims subject to the Eighteenth Omnibus Objection; or (b) to

exercise their rights of setoff against the holders of such claims relating to such avoidance actions.

20. Bankruptcy Management Corporation, the Debtors' reconciliation agent, will serve a copy of the Eighteenth Omnibus Objection and the exhibits thereto upon those creditors that have filed claims that are affected by the Eighteenth Omnibus Objection.

21. The Debtors submit that notice of this Eighteenth Omnibus Objection is sufficient under Bankruptcy Rule 3007 and that no further notice is necessary.

No Previous Request

22. No previous request for the specific relief set forth herein has been made to this or any other court.

Compliance With Rule 3007-1

23. This Eighteenth Omnibus Objection, and related exhibits attached hereto, complies with Rule 3007-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware.

WHEREFORE, the Debtors respectfully request that the Court enter an order disallowing, expunging, reducing, and/or reclassifying, as appropriate, each of the claims more fully described in this Eighteenth Omnibus Objection and/or listed on the exhibits attached hereto.
